Powered by Collide Talent Productions, Collide Dance Experience is one of the industry's newest dance competitions, intensive & talent pageant here in the United States.

As small business owners and a Family-Owned Company originally from St. Croix, US Virgin Islands, we are schedule to host eight Regional Events throughout the United States and one National event in Orlando, Florida for 2024.

Collide Dance Experience was created to bring dancers, artists and performers ages 3 & up of all levels together from around the world. We thrive to bring out the best in each performer & studio with an experience like no other. It is our main goal to provide performers, studio owners, directors & teachers with an outlet to a premier experience.

Our mission is to always offer a fair, honest, fun & entertaining experience & environment for everyone involved. Giving them the BEST EXPERIENCE YET!

Today, we are seeking an investment from you and/or your business to assist Collide Dance Experience in achieving our goals.

Your investment will go towards assisting with scholarships, prizes, faulty cost, and the overall structure of Collide. Your investment is at a 2% return in two (2) years. An investment of your choice in any amount would be greatly appreciated.

Attached is our CDE Investment Form in which you will be able to choose your level of investment.

Thank you in advance for your heartfelt support.

Warmest Regards,

*Thalema Williams & Tayesha Williams*
